**UPWARD BASKETBALL**

Preschool Cheerleading/ Basketball through Grade 8 REGISTER NOW! Sign up early for the discount thru Oct 31st. Early Registration Cost is \$75. Assessments Nov. 7, 8 and 10. Most of you know that our Upward Season is in "kick-off mode" and we are approaching assessments in a few weeks. Upward is a wonderful program that gives us an opportunity to not only reach children, but also their parents, grandparents, aunts and uncles that may not go to church on a regular basis. We do need your help in doing this.

First of all- Prayer- We have a prayer commissioner in place, Susan Ellis, that will have a team praying for us daily for the season .. but we need everyone to pray for this season. This is our chance to reach a lot of children/parents that will not ever hear the gospel elsewhere..... And that is what we are about FIRST of all!

Second- We need some coaches and REFS- If you can help as an assistant coach or REF one game a Saturday that helps out so much! In the past years we have had more community parents that help coach and REF rather than our members. This is some people's first impression of our church. WE need our members to represent our church faithfully. Even if you just come out to see a game or two on a Saturday and welcome some parents and talk with them. We will need help in concessions, we need people to volunteer to work a couple hours at a time or a Sunday School class to maybe take on a Saturday and split up the time!

Third- We have assessments Mon. Nov. 7, Tues. Nov. 8, and Thurs. Nov. 9 from 6-8 each night. For this to run smoothly and organized; workers and people speaking with the parents will be required. We like the parents to feel welcome and greeted with a smile, because this is the first impression of our church. Jody and Christy try to be available to welcome parents and answer the more difficult questions. There is only Westport and Denver Baptist Church(basketball only) running UPWARD in our area this year and that means we will have more volume. We never know how many to expect and what the volume will be at what time. Some of you have already let us know that you can help. We need a few more workers to help with sizing uniforms, greeters, and some basketball knowledgeable guys to run the gym drills. Please email Christy @ [fam4anderson@att.net](mailto:fam4anderson@att.net) if you can help one night or all three with the assessments.
